DIGITAL PORTFOLIO

INTRODUCTION

My name is **Ayushi Raj**, and I am a student learning Digital Literacy.
This portfolio presents my understanding of digital technologies, tools, and online platforms. Through this course, I have learned how to use digital resources effectively for communication, learning, and productivity.

DIGITAL SKILLS

The following digital skills I have developed during this course:

- Basic computer operation
- Creating documents using **Microsoft Word**
- Making presentations using **Microsoft PowerPoint**
- Internet browsing and online research
- Email communication
- Using GitHub for project submission

DIGITAL TOOLS I USE

Some important digital tools that I use are:

- Microsoft Word
- Microsoft PowerPoint
- Google Chrome
- Gmail
- GitHub
- Online learning platforms

LEARNING EXPERIENCE

During this Digital Literacy course, I learned how technology helps in education, communication, and daily life. I also learned about digital safety, responsible online behavior, and the importance of protecting personal information on the internet.

Conclusion

Digital literacy is an essential skill in the modern world. It helps individuals communicate, learn new skills, and use technology effectively. This course has improved my ability to use digital tools confidently and responsibly.
